

PLANT TOUR

As part of our continuing efforts to educate and develop our members, the Dayton and Lima Chapters of APICS are proud to join in coordinating a plant tour for 2017.

Crown is one of the world's largest material handling companies with a reputation for award-winning product design, advanced engineering and technology, and superior after-sale service. Crown's business philosophy utilizes vertically integrated processes to design, manufacture and distribute forward-thinking, innovative solutions that improve customers' productivity and operating efficiency. Crown produces a broad range of forklifts as well as automation and fleet management technologies. To learn more about Crown's ideas for helping customers advance the productivity of their operations, visit www.crown.com.

Where: Crown Equipment
When: Friday, April 7, 2017
8:30AM-3:00PM
Dress: Business casual, no shorts or open-toed shoes

The Crown Equipment plant tour will cover multiple locations and manufacturing areas, including motor and drive unit manufacturing as well as electronic, mast and final assemblies. The tour is limited to 20 persons, first come first served, with other interested members being placed on a wait list. Crown Equipment will review the names and reserves the right to refuse entrance to anyone.

To register for this event, please e-mail Jeff Smith, Dayton Chapter Program Director at jsmith2002tnpa@yahoo.com no later than 1:00PM, Wednesday, March 29, 2017. Please include your full name, employer, job title and phone number. A detailed agenda and location directions will be sent to those approved to attend.

We look forward to seeing you there!
